

I THEATRE THEATRE ETIQUETTE

PART TWO: DURING THE SHOW

SILENCE IS GOLDEN

The best way for everyone to enjoy their time spent in the theatre is when we have a show without interruptions from ringing phones and chatterboxes!

MAKE NOISE AT THE RIGHT PLACES

Our characters will give you the cue for you to laugh, cry or even "Boo"! Have fun interacting with them

NO FOOD OR DRINKS

The loud sounds of crunching food and plastic are things you don't wish to hear in the theatre, right? And you don't want to step on a recent coke spill with your recently bought nice shoes. What a bummer that'll be.

NO PHOTOS OR VIDEOS

Put down the phone, enjoy the moment, breathe in the music and taste the joy of live theatre!
