

I THEATRE THEATRE ETIQUETTE

PART THREE: END OF THE SHOW

CLAPPING AND CHEERING

If you LOVE the show please clap and cheer to show your appreciation for the hard work and dedication to our performers, our backstage crew and the creative team.

DONT RUSH

For the safety of the young ones with their little short legs, we don't want anything happening to them, do we? And please check your belonging before you go!

MEET AND GREET

This is the perfect photo opportunity you cannot miss. This is the only time you are allowed to take a photo! Snap and pose with the characters and show off your amazing photos to your friends!

TELL YOUR FRIENDS! BRAG ABOUT IT!

"Good Things Must Share". So share your photos on Instagram, Twitter and Facebook! Spread the word!

ACTIVITIES AFTER THE SHOW

We often have post-show activities for you and for your young ones, if you're willing to get your hands dirty (with paint of course!)
