## PART ONE: BEFORE THE SHOW

### CHECK YOUR TICKETS

Got the right show date, time and venue? Okay, you're set! You'll be surprised how often people forget to check!

### BE AN EARLY BIRD

The early bird catches the worm! Coming in early will give you plenty of time to find a parking space and the right entrance into the theatre. 30 mins is the magic number.

### TO THE TOILET!

Most important activity before heading into the theatre. Make sure you don't drink too much water before the show! You'll miss all the fun!

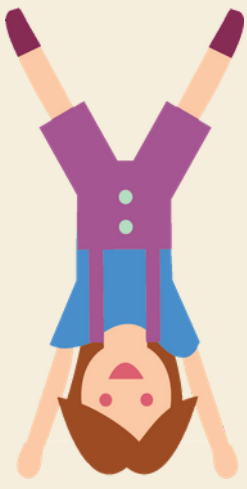

### SWITCH OFF OR PUT YOUR PHONES TO SILENT MODE

You don't want to be THAT embarrassing person whose phone goes off mid-performance right?

### GET YOUR PROGRAMME BOOKLETS!

Our booklet contains activities for the young ones! As well as something for the parents! Make sure you get yours before the show!

## PART TWO: DURING THE SHOW

### SILENCE IS GOLDEN

The best way for everyone to enjoy their time spent in the theatre is when we have a show without interruptions from ringing phones and chatterboxes!

### MAKE NOISE AT THE RIGHT PLACES

Our characters will give you the cue for you to laugh, cry or even "Boo"! Have fun interacting with them

### NO FOOD OR DRINKS

The loud sounds of crunching food and plastic are things you don't wish to hear in the theatre, right? And you don't want to step on a recent coke spill with your recently bought nice shoes. What a bummer that'll be.

### NO PHOTOS OR VIDEOS

Put down the phone, enjoy the moment, breathe in the music and taste the joy of live theatre!

## PART THREE: END OF THE SHOW

### CLAPPING AND CHEERING

If you LOVE the show please clap and cheer to show your appreciation for the hard work and dedication to our performers, our backstage crew and the creative team.

### DONT RUSH

For the safety of the young ones with their little short legs, we don't want anything happening to them, do we? And please check your belonging before you go!

### MEET AND GREET

This is the perfect photo opportunity you cannot miss. This is the only time you are allowed to take a photo! Snap and pose with the characters and show off your amazing photos to your friends!

### TELL YOUR FRIENDS! BRAG ABOUT IT!

"Good Things Must Share". So share your photos on Instagram, Twitter and Facebook! Spread the word!

### ACTIVITIES AFTER THE SHOW

We often have post-show activities for you and for your young ones, if you're willing to get your hands dirty (with paint of course!)
